SPECIFIC— Visa Application of General GUDERIAN

Mr. MERKUR has sent over a statement to the effect that General GUDERIAN is unable to go to Switzerland for a health cure inasmuch as the Swiss have refused him a visa (May 1952). This is quite a blow since it took three months just to obtain his Reisepass through Munich and Bonn, and he now inquires, via MERKUR, whether you could determine the reason for the Swiss refusal. Can you?
